PRACTICE SUMMARY

Mr. Youngblood's practice focuses on the litigation of intellectual property matters, the preparation and prosecution of patent applications, as well as the drafting of patentability, infringement and validity opinions, and other aspects of intellectual property law. He is registered to practice before the United States Patent and Trademark Office. Mr. Youngblood has handled patent, copyright and trademark matters and his clients range from leading pharmaceutical companies to small businesses. He is a member of both the Pennsylvania and New Jersey Bars and is admitted to practice before the U.S. District Court for the Eastern District of Pennsylvania and The U.S. district Court for the District of New Jersey. Prior to joining Caesar Rivise, Mr. Youngblood served on active duty for five years in the U.S. Navy, including service as a Lieutenant in the Engineering Department of the U.S.S. Constellation. He is currently a Major in the U.S. Army Reserve serving as a Judge Advocate.
